KEMIZARES

Female
"SW Developer – CI/CD"

Technical Presentation

Self-driven SW Developer with 7 years of experience in JAVA, Apache Camel, Springboot, REST webservices and AWS. She has worked from requirements gathering and analysis to design, build, deploy, test and maintenance of software systems delivering proactively with CI/CD approach. She has experience in REST API integration with third party- systems and troubleshooting production incidents from analysis of logs to providing hot fixes, providing performance optimum solutions and working in sprint cycles. Communication with different stakeholders, 3rd party vendors and the clients were a part of her daily work along with proposing solutions to complex problems, requirement collection and preparing technical documentation. She is well organized with her work and can self- manage, as well as work in teams. She has also led a team and mentored new joiners in delivering on key project milestones.

Personal Presentation

She is an optimistic, curious, detail-oriented person with strong and clear communication skills. She is result-driven, likes taking up challenging responsibilities and working on them in an organized and methodological way. She is fun loving, positive thinker, flexible, transparent, open to learning new technologies and loves interacting with people. Her experience with working in a global setup and customer interactions makes her a great asset.

Roles

Software Engineer, Professional Application 2 Delivery (Senior Level)

KEMIZARES

Employer

Date	Role
Mar 2023 – Present	Consultant
Jan 2020 – Mar 2023	Professional 2 Application Delivery
Oct 2016 – Jan 2020	Software Engineer

Skills

Skills	Competency Level (1min-5max)
Programming	
Java	4
Python	1
SpringBoot	3
Apache Camel	4
Webservices – REST API, SOAP	4
SQL	3
TDD- JUnit, Mockito, JBehave	5
Bash	3
Tools	
CI/CD – Jenkins	4
Cloud - AWS	4
Repository – Bitbucket, GitHub, GitLab	4
Maven	5
IDE – IntelliJ, Eclipse	5
Test – SoapUI, Postman	4
DB – Oracle, MySQL, Postgres	3
Servers – Jboss, Tomcat	4
Linux – Putty, Winscp	4
Tracking Tools – Jira, HP ALM, Confluence	4
Soft Skills	
Communication	5
Team Management	4
Leadership	4
Customer Interaction	5

KEMiZARES

Experiences

Role	**Consultant Engineer**
Area	**Software Development**
Industry	Automotive, In-house Project
When	March 2023 – Present
Skills	Java, SpringBoot, Apache Camel, JPA, JUnit, Mockito, Maven, Jboss, Linux, GitLab, Bash Scripting, H2 Database, PostgreSQL, AWS Elastic Beanstalk, AWS SAM, AWS Lambda, AWS RDS, AWS CodePipeline and Postman Client.

Role	**Professional Application 2 Delivery**
Area	**Software Development**
Industry	Banking & Retail
When	Jan 2020 – Mar 2023
Skills	Java, Spring, Apache Camel, Rest API, JUnit, Maven, Git, JSON, Bash Scripting, Oracle DB, SQL, HP ALM for tracking tasks and defects, Jboss

Role	**Software Engineer**
Area	**Software Development & Service**
Industry	Banking & Finance
When	Oct 2016 – Jan 2020
Skills	Java, Spring, Apache Camel, Rest API, Bash Script, Junit, Mockito, Maven, Jboss Server, Jenkins, Jira, Confluence, Stash, Oracle WebLogic, SQL, H2 database

Education & Languages

University Degree

Title	**Bachelor of Engineering in Electronics & Communication**
When	2012 - 2016

Courses

Title	**Adopting the Devops Mindset**
When	2021

Title	**Introduction to Bash Scripting**
When	2021

KEMiZARES

Certifications

Title	**Amazon Certified Developer - Associate**
Where	Amazon
When	July 2023

Title	**Scrum Developer**
Where	Scrum Study
When	August 2018

Language

English	Full professional
Swedish	Beginner
Hindi	Full professional
Konkani	Native
Kannada	Native
Tulu	Native

Achievements

What	**DXC Champs Award**
When	2022
What	Received Champs award for all the contributions made to the File Manager module (Shell Eve RTSP Project) in the in the second quarter of FY22(July-Sept 2021)

Volunteering experience

What	**Christmas Market Food Prep & Distribution (Kristus Konungen Kyrka - Gothenburg)**
When	November 2023

What	**Part of Afry Culture team**
When	2023

What	**Tech Utsav – Project POC Demos Event**
When	2019

Hobbies
Travelling, Trekking, Reading Novels, Listening to Music.

Driving License
Type: B
Expired date: 2034-01-08
